African Studies Center - TUFS (ASC-TUFS) will hold the 41st ASC Seminar on October 24, 2019. This is jointly organized by Kanto branch of Japan Association for African Studies. For the seminar, we will invite Ms. Fortunée Bayisenge, the Dean of the Faculty of Development Studies at Protestant Institute of Arts and Social Sciences (PIASS).

In Rwanda, Land Use Consolidation (LUC) has been implemented since 2008. Although the Rwandan Government has made efforts to promote women's status with LUC, women farmers face a number of barriers. Ms. Bayisenge will discuss what prevents women farmers from receiving benefits from the new agrarian change.
