Free Japanese On-demand Lessons

東京外国語大学
Tokyo University of Foreign Studies

OPJLC

2024 Summer

Self-study × Online schooling

You can study Japanese using Moodle and participate in weekly schooling sessions to use Japanese!

〈Self-study using Moodle〉

- You can use the content as many times as you want
- You can study at your own pace
- Contents are free
- Contents are available on both PCs and mobile phones

〈Online Schooling using Zoom〉

- You can practice with native Japanese speakers
- You can talk with classmates from various universities

Courses

① Elementary 1 On-demand Course

- Those who have not studied Japanese before
- Those who would like to study Japanese from the very beginning including Hiragana/Katakana study

② Elementary 2 On-demand Course

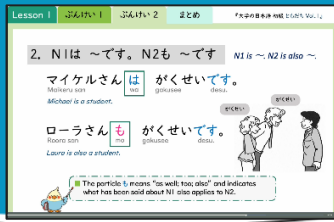

- Those who have learned elementary Japanese for 6 months
- Those who want to learn Japanese at the upper-beginner level (≒JLPT N5)
- Those who have mastered more than 2 of the following verb conjugation: てform, じしょform and ないform
- Those who can read and write Hiragana and Katakana and 50 Kanji

③ Intermediate On-demand Course

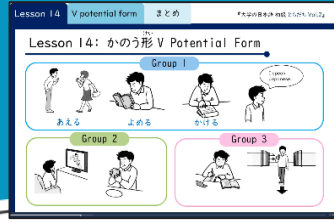

- Those who have finished the beginner's textbook (≒JLPT N4)
- Those who can read 200 Kanji
- Those who want to practice interactions using Japanese at a low intermediate level (≒JLPT N3/CEFR B1)
